<b>Narrative</b>					
On 8/26/06, about 1942 hrs, I was dispatched to a SHOPLIFT at VIC K-Mart, 24800 W VALLEY HWY.					
On scene, I met with Loss Prevention Manager WIT Thomas Heffner. He stated store security had the suspect in the office. He said that he wished to pursue prosecution and that he wanted the suspect trespassed for the shoplift.					
I went to the office with Heffner, where I made contact with loss prevention agent WIT Alisia Bayne and ARR Jenee Westberg. I placed Westberg into custody, handcuffing, and double locking them. I first spoke with Bayne, who said she was monitoring the store's security camera system at about 1845 hrs. She said she observed Westberg in the cosmetics department, taking several cosmetics items from the counters. She said she maintained observation and watched Westberg walk to the automotive department. There Westberg removed the items' soft tags and concealed the cosmetics in her purse. Bayne said she then observed Westberg go to the automotive section, where she selected two car plug-in lighters. Westberg also placed these items in her purse. Bayne said that Westberg then selected five or six bottles of oil and some light bulbs. These items were put in Westberg's bag, so as to block the other items from view. Bayne then stated she followed Westberg to the front of the store where the suspect got into the checkout line. Westberg paid for the light bulbs and oil, however she did not attempt to pay for the cosmetics. Bayne said she then watched Westberg exit the store, where Heffner was waiting for her. Bayne and Heffner made contact with Westberg at the front of the store (about 1935 hrs), identifying themselves as store security. Westberg was walked to the office, where the unpaid items were

recovered from her purse.

I then spoke with Heffner, who confirmed Bayne's story. He said that after Westberg was observed stealing the items via the store's camera system, he went out on the floor, following Westberg on foot. He said he used the store's security mirrors and other methods to observe Westberg steal the items in the automotive aisle. He also observed her place the oil and light bulbs over the top of the stolen items in her purse. He stated he wanted Westberg trespassed from K-Mart for one year, which Westberg acknowledged.

I read Westberg her Miranda warnings via my Kent codebook. While crying, she stated she understood her rights and waived her right to counsel. I asked Westberg if the accounts Bayne and Heffner gave were accurate. She said that they were, saying she was "so stupid" and "so sorry." Westberg stated she had no reason to steal the items and that she had the money to pay for them. Westberg said that she had a job and that she was worried about losing it due to her arrest. She offered to pay us \$500 if I did not arrest her. I told Westberg this was not possible. During my search incident to arrest, I looked through Westberg's purse. I found two more bottles of nail polish which she finally admitted were also stolen.

I supplied Heffner with a case number and cleared the scene.

I transported and booked Bayne into the CKCF without incident.

I contacted Kent Records and requested they trespass Westberg from K-Mart for one year.

Case cleared.
